# Cadet Vinyl Upholstery - Beautiful & Durable

## Antimicrobial Shieldplus Protection.

Permanently inhibits the broadest spectrum of microbes (even C. difficile and COVID-19) and prevents nasty odours.

## Acryltron™

Affording exceptional, improved resistance to cleaning chemicals.

## Polyurethane Coating

For durability and stain resistance.

## PVC Core

For core strength and durability.

## Substrate

High performance knitted substrate providing a solid foundation.

## CareFlex Fabrics

Our range of stylish fabrics are carefully selected to suit a variety of health and care environments. All fabrics are easy to clean and offer high levels of comfort and durability. They are manufactured to be resistant to moisture ingress, and meet Crib-5 fire retardancy standards. Please see our cleaning guide for full details on recommended cleaning. All technical cards and certifications are available upon request please email: [info@careflex.co.uk](mailto:info@careflex.co.uk) if these are required.

## Fixed Covers

Fixed covers give the chair a sharper, minimalist appearance, and are designed to meet the increasing needs of infection prevention and control.

## Removable Covers

Our removable covers can be taken off easily for cleaning, or replaced if they are damaged.

## Customer Material Choice

As an extra service we can customise the chair with a fabric of choice outside of the standard range. We'll simply supply a quotation for the chosen fabric on request. (Orders are subject to an administration fee).
